WILLIAMSON COUNTY, ILLINOIS
WILLIAMSON ENERGY LLC and
WILLIAMSON TRANSPORTATION LLC

OCT 1 9 2005

Illinois Commerce Commissic.

Petitioners

Vs.

ILLINOIS DEPARTMENT OF TRASNSPORTATION

TO5-0058

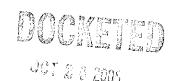

Respondent

Petition seeking the establishment of new railroad-highway grade crossings in Williamson County for the construction of new railroad spur tracks to serve a mine.

### PETITION

Petitioners Williamson County, Williamson Energy LLC and Williamson Transportation LLC herewith petition the Illinois Commerce Commission to establish and maintain new railroad-highway grade crossings in Williamson County, Illinois, for new railroad spur tracks to serve a new coal mine. They show to the Commission the following facts:

- 1. Williamson County, Illinois is located in Southern Illinois, with county seat at Marion. All roads mentioned in this Petition are owned, maintained and controlled by Williamson County. By resolution, the County has consented to the new railroad crossings; a copy of the resolution is attached hereto.
- 2. Petitioner Williamson Energy LLC, headquarters located in Marion IL, is developing a new coal mine east of Johnston City in Williamson County. Coal produced by the mine will be sold and shipped by railroad to various destinations. Two major railroads operated in the vicinity: Union Pacific and Canadian National. Spur tracks are to be built by Williamson Transportation LLC from the mine to connect with these two carriers. Maps of locations are attached to this petition.

3. Petitioners seek to establish railroad-highway grade crossings, with automatic flashing lights, bells and gates, at the following roads:

Spur east of mine: Crawford Road, Thompsonville Road, Jordans Fort Road, Dwina Road

Spur west of mine: Liberty School Road, Williams Prairie Road,

Harris School Road, Old Ben Road, Old Frankfort Road, Monroe Road

These roads are all two-lane paved roads carrying general highway traffic in Williamson County.

- 4. Crossing surfaces of the grade crossings will be timber and asphalt on wooden ties, which are normal duty road crossings. The traffic on all roads is normal to light.
- 5. Petitioners herein have arranged for funding the construction of the crossings and warning devices. There is no request here for funding through the Grade Crossing Protection Fund.
- 6. In the construction of the spur tracks, provision will be made for a side spur or two, one in the vicinity of Jordans Fort Road, for the development of other railroad-oriented business and customers in the area.

WHEREFORE Petitioners request the Commission to investigate the matters contained in this Petition, to hold a public hearing at the Commission's office if a hearing is deemed necessary, and to enter an Order granting this Petition. Respectfully submitted,

John H. Doeringer, Attorney for Petitioners

## CERTIFICATE OF SERVICE

I hereby certify that I have served a true and correct copy of the foregoing Petition and attachments upon Jeffrey Harpring, Illinois Cepartment of Transportation, Bureau of Local Roads, 2300 S. Dirksen Parkway, Springfield, IL by first class mail with postage prepaid.

Dated this / Ttday of October, 2005.

JOHN H. DOERINGER

#### **RESOLUTION NO. 05-10-11-76**

RESOLUTION OF THE COUNTY BOARD FOR THE COUNTY OF WILLIAMSON, STATE OF ILLINOIS, AUTHORIZING THE CROSSING OF COUNTY ROADS AND HIGHWAYS BY WILLIAMSON TRANSPORTATION, LLC

WHEREAS, Williamson Transportation, LLC has requested authorization from the County Board for the County of Williamson, State of Illinois, to construct and operate a railroad that crosses certain county roads and highways for the transportation of coal and other products by Williamson Transportation, LLC in the County of Williamson, State of Illinois; and

WHEREAS, a proposed Agreement Between the County of Williamson. State of Illinois, and Williamson Transportation, LLC Authorizing at grade crossing, minor adjustments in profile, and the closure and barricading of certain roads at the proposed Railroad Right of Way of County Roads and Highways to accommodate the construction and operation of a Railroad from the Union Pacific Mainline to the Pond Creek I coal mine in Lake Creek Township; from the Pond Creek I coal mine in Lake Creek Township to the Canadian National Railroad in Corinth Township, all in County of Williamson, State of Illinois has been prepared, and has been discussed and considered by the County Board; and

WHEREAS, the County Board for the County of Williamson, State of Illinois, deems that it would promote the general welfare of the County and its inhabitants and would be in the best interests of the County and its inhabitants to enter into said Agreement with Williamson Transportation, LLC:

NOW, THEREFORE, the County Board for the County of Williamson, State of Illinois, does resolve that the Agreement Between the County of Williamson, State of Illinois, and Williamson Transportation, LLC Authorizing various methods of crossing of County Roads and Highways for a Railroad from the Canadian National Mainline to the Pond Creek 1 coal mine attached hereto be and the same is hereby approved pursuant to and in accordance with the statutory authority in such case made and provided; the Chairman of the County Board for the County of Williamson, State of Illinois, is authorized and directed to execute said Agreement for and on behalf of the County of Williamson, State of Illinois, and to deliver the same to Williamson Transportation, LLC.

On roll call vote Resolution No. 05-10-11-76 was passed and approved this 11th day of Outober, 2005.
